

Looking for that perfect local place to hold a special event such as a wedding, reception, birthday or family reunion...?

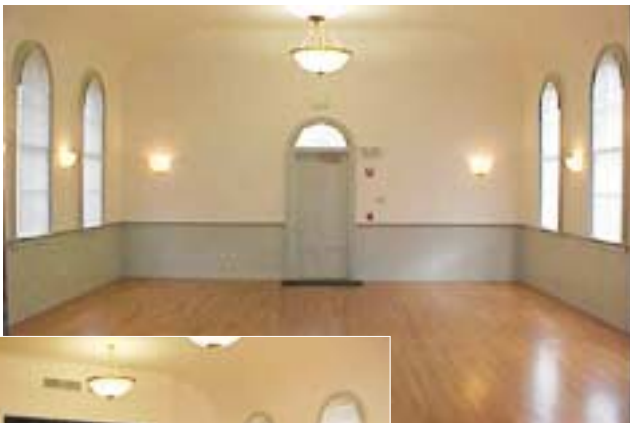

How about ENDEAVOR HALL!!

Endeavor Hall has history...

This local historic building was originally built as the Methodist Episcopal Church in the 1860s and acquired by the Congregational Church Christian Endeavor Society in 1896. After their services ended in 1916, volunteer trustees maintained the building for community use until after the Loma Prieta Earthquake of 1989, when they deeded the property to the City.

Meetings for Clayton City government were held in the building until the Library was completed in 1995. The Clayton Redevelopment Agency restored and added bathrooms and a full kitchen to the building, which was completed in February 2001. Sidewalks, street lamps, and a parking lot around the site were added during the recent completion of the downtown revitalization of Center Street by the Redevelopment Agency.

Endeavor Hall has now been completely renovated and is available for rent...

...And has everything you need!

- ◆ 910 sq ft floor area with an additional 390 sq ft raised stage area.
- ◆ Event seating in the floor area for 100-120 or up to 100 persons for dining (including the stage area).
- ◆ Outdoor courtyard with dining for an additional 50 persons.
- ◆ Commercial kitchen facilities, including a commercial catering stove, oven, refrigerator, and small freezer, and commercial dishwasher and sinks.
- ◆ Handicap accessible.
- ◆ Rectangular folding tables (20) and chairs (100) plus 6 round tables and 24 stacking chairs in interior

Rental rates for Clayton residents are \$150/hr for weekends and \$100/hr for weekdays. Clayton based non-profit groups can also hold meetings there Monday through Thursday at \$40/hr. Users provide their own linens, utensils, and setup, take down and clean up. A refundable cleanup deposit is also required. Deposits are required for reservations, along with a completed reservation form.
